

# Student Technology Guide

---

Students,

This year we will technology extensively in class. The purpose of this document is to show you how to access these resources and to create accounts if necessary to access them.

## Class Website

Our class website is [www.hoskinsenglish.net](http://www.hoskinsenglish.net). We will use our class website to access texts, videos, audio, and assignments. Please bookmark this page in your web browser.

Savvas will be our platform for your English book. You will access the textbook and some assignments in Savvas. The link to Savvas is in Classlink. You should already be enrolled into the correct English course. You will be expected to check Savvas when you are absent.

Google Classroom will serve in its usual role. I will post announcements and assignments in Google Classroom. You will also be expected to check Google Classroom when you are absent.
